Key

Stock Item

This item is readily available in our inventory, ready for immediate shipping.

Low MOQ

Available from low production runs.

100% Paperboard

An eco-friendly option that is made from 100% paperboard.

Leakproof

accommodates oily foods.

Cash & Carry

Prevents leaking and Supplied with inner packaging and barcodes. Shelf-ready for wholesale and cash and carry stores.

About Us

With over 60 years of experience in the printing and packaging industry, Rois Bros has established itself as a pioneering force in crafting innovative takeaway paper packaging solutions, catering to a global clientele spanning 25 countries.

Our production hub is based in Athens, Greece, where a dedicated team of skilled professionals drives our operations. With a comprehensive catalogue of paper packaging products tailored for direct food contact, Rois Bros offers a wide array of customisable options and top-tier designs, accommodating even low-volume production requirements. Furthermore, we maintain an impressive inventory of readily available food packaging products for immediate dispatch. Every facet of our processes, from conceptualization and design to printing and manufacturing, is meticulously handled in-house. Our commitment to quality is reflected in our compliance with international standards such as ISO 9001 and ISO 22000, and we are fully capable of producing FSC™ certified products upon request. At Rois Bros, we take pride in delivering excellence from inception to your doorstep.

Certifications

Our certifications are proof of our product quality and safety.

Global Presence

We export to 20 countries in **Europe**, **Asia and Africa** and continue to grow our presence globally.

Our exports generate

over 45% of the company's total revenue

Our Expertise

At the core of the Rois Bros brand lies a dedication to quality and innovation. With over six decades of experience in the packaging industry, our unwavering commitment is to deliver top-tier paper packaging solutions tailored for global retail and foodservice sectors.

Exports

We currently export to 25 countries and continue to grow globally.

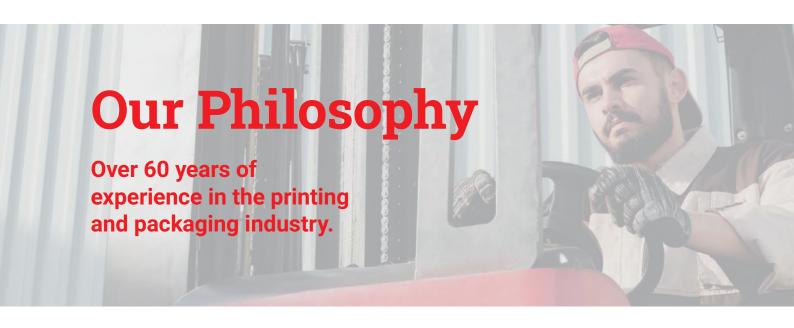

Legislation

We comform with EU rules and legislation for direct food contact.

Certifications

We are certified with ISO 9001, ISO 22000 and FSC™ for quality management and food safety.

Based on our philosophy we strive for:

Reliability

We stand as a dependable partner for our valued customers, delivering topnotch packaging products precisely in line with the agreed-upon timelines and specifications.

Effectiveness

We excel in meeting our customers' needs by providing precise solutions through our supplied products.

Support

We are dedicated to our customers, offering continuous support throughout their journey. We maintain regular communication through calls, emails, and meetings, ensuring a thorough understanding of their evolving requirements and business objectives.

Enhancement

We boost our customers' marketing endeavors with our top-notch product offerings. Our approach involves not only meeting their immediate needs but also presenting alternative solutions that can provide added value and benefits.

Our Mission

We aim to be the top choice firm in customised paper packaging solutions for the food service industry (Ho.Re.Ca.) by providing innovative paper packaging solutions based oncustomerspecific needs.

Over 60 years of presence in the packaging and printing industry.

Sustainability

All members of the Rois Bros team recognise the importance of environmental protection. Therefore, we make every effort to minimise the impact of its operations on the environment and carefully consider the materials we use to produce packaging.

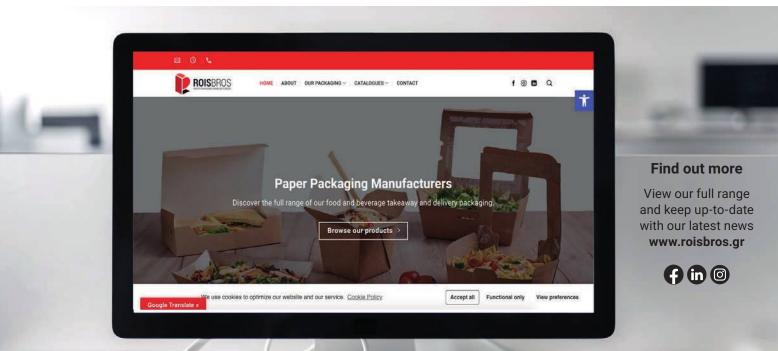

Environmental Thinking

In today's society, food packaging holds a significant role. At Rois Bros, we are dedicated to not only safeguarding and showcasing your food, but also aligning with your environmental objectives. We endeavor to provide a diverse array of eco-conscious materials to reduce our collective footprint on the planet. Additionally, we are steadfast in our commitment to monitoring our practices and enhancing our environmental stewardship.

As we look ahead, we endeavour to continue to expand our offering of sustainable packaging solutions.

We are one click away.

Introducing Gaia

A new, eco-friendly paper product range to suit all needs.

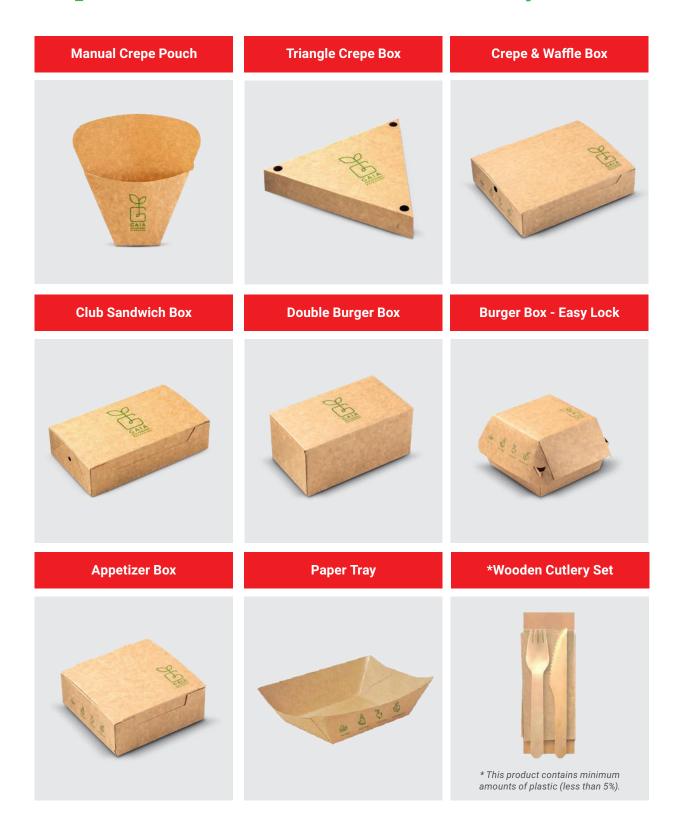

Our Gaia product range is manufactured exclusively with biodegradable cardboard, and is made from 100% paper with a high degree of protection against water and oil. The products of this range are available in different sizes and can accommodate a wide variety of food types such as crepes, sandwiches, fries, burgers, and appetizers.

The Future of Packaging Is Green: Explore the Gaia Collection Today

Coffee-To-Go

This range includes the essential packaging items for every coffee shop.

This range consists of our signature high-quality and endurance cup holders, carriers, placemats and lunch boxes, available in a variety of sizes. Several products of this category are available in stock.

Grill House

Our Grill House range is a complete paper packaging solution for the delivery of grilled and cooked meals. It is designed and manufactured exclusively by our team and is ideal for restaurants and steakhouses.

All products are delivered flat to reduce transportation and warehousing costs and open in three, easy steps. This range includes a wide variety of 100% leak proof 6 CLP (corner leak proof) packaging products that fully cover the needs of your business. They are made of polyethylene-coated paperboard, appropriate for direct food contact. Thanks to their polyethylene substrate and unique design they can accommodate all types fatty or oily foods. A wide variety of sizes are available in stock. More than 30 different sizes can be printed with your customer's artwork at a minimum order quantity of 10,000 pieces and are available in two different qualities of paper:

- → Virgin Board & PE
- → Kraft Board & PE

> Crepes & Popcorn Boxes	p.54
> Cones	p.59

Snack Boxes

A great packaging proposal for readyto-go dry and semi-dry foods such as club sandwiches, french fries, appetizers, crepes and waffles. This is an easy-open product range for bakeries, waffle houses, creperies, sandwich shops, canteens and coffee shops.

Easy assembly

Flat delivery

Ventilated

All products are delivered flat to ensure low transportation and warehousing costs. They are easy to assemble and can be produced with PE-coated material to improve endurance for liquid and fatty foods or without PE-coated material as a low-cost proposal. They have vents to avoid moisture buildup. In this category, you can find shelf-ready products that are packed in low volumes and are aimed at cash and carry stores.

All products can be printed with your artwork and are available in:

- → White Virgin Board
- → White Virgin Board + PE
- → Kraft Board + PE
- → Ecological Kraft Board
- → Ecological Kraft Board & Barrier

Hot Dog Box

Made from eco-friendly kraft cardboard, our unprinted design is perfectly safe for direct food contact.

Brand it!

Available for custom printing with the cardboard of your choice!

A wide range of serving trays for both in-store and take-away meals. It is ideal for quick snacks and meals on-the go such as french fries, chicken nuggets, fish and chips, salads, hamburgers, pasta and other types of street food.

Stackability

This line offers some more targeted, onepiece-packaging items for single portions of pizza, ciabatta, sandwiches, waffles and pastries. Most of them are supplied nested and are ready to use while others require manual assembly. This packaging range is ideal for burger houses, fast food restaurants, cafeterias, canteens, hotels and street food vendors.

They can be printed with your artwork from a low volume and are available in five different qualities of paper:

- → White Virgin Board
- → White Virgin Board + PE
- → Kraft Board + PE
- Ecological Kraft Board
- → Ecological Kraft Board & Barrier

Our Bio Boxes range offers a comprehensive product list for the delivery of cooked meals, and includes a wide variety of 100% leak proof packaging solutions that fully cover your restaurant's needs.

Leak proof Stackability

This range offers a comprehensive product list for the delivery of cooked meals, and includes a wide variety of leak proof packaging solutions that cover most restaurant's needs.

The boxes are made of polyethylene-coated paperboard, appropriate for direct food contact. A variety of sizes is available to be printed with your customer's artwork at a minimum order quantity of 5,000 pieces in two different qualities of paper.

Two different types of closing systems are available to choose from:

Hook Lock: Closes with a quick, single movement. Easy to use.

Slot Lock: Offers a more secure closing system. Ideal for both takeaway and delivery.

Combination Packaging

An exclusive packaging solution tailored for luxury hotels, catering providers, and restaurants.

SMART ITEM

Fruit & Vegetable Boxes

This range is the ideal paper packaging solution for supermarkets, organic fruit and vegetable stores and more. It is easily customisable and offers flexibility when designing your own dye cuts. Furthermore, it promotes sales in smaller, higher-quality packs. As a result, it increases brand awareness and profit margins.

Recyclability Stackability Adaptable Design

Eco-friendly

Utilizing paper not only demonstrates environmental responsibility but also stands as a superior choice, owing to its innate biodegradability that remains unaffected even when coated materials are employed.

Personalised Printing

This versatile range can be effortlessly tailored to your preferences and boasts top-notch printing capabilities. Your artwork, logo, or product photos can be directly imprinted onto your packaging, while the elimination of labels translates into significant savings on materials, equipment, and labor expenses.

* This range is available upon request, offering a wide array of sizes and paper qualities that can be customized with your customer's artwork, with a minimum order quantity starting at 50,000 pieces.
