## Introducing Gaia

All members of the Rois Bros team recognise the importance of environmental protection. Therefore, we make every effort to minimise the impact of its operations on the environment and carefully consider the materials we use to produce packaging.

Our Gaia product range is manufactured exclusively with biodegradable cardboard, and is made from 100% paper with a high degree of protection against water and oil. The products of this range are available in different sizes and can accommodate a wide variety of food types such as crepes, fries, burgers, and appetizers.
